Insurance Requirements

You must provide a certificate of liability insurance (see attached sample).

You must have, and keep in force, liability insurance, including comprehensive general liability with personal injury, contractual and broad form property damage liability endorsements, which name the State of Nevada, Division of State Parks, Department of Conservation and Natural Resources, its officers and employees as additional insured under the terms of the **PERMITTEE'S** policy. Said coverage will be sufficient to cover all liabilities that might arise out of the use of park facilities and/or liabilities incurred by **STATE** or your personnel. Such insurance shall be underwritten by insurers satisfactory to **STATE**. See attached sample for minimum requirements. **PERMITTEE** will be responsible for all damages, physical and monetary, incurred during permitted period.

You must provide a separate additional insured endorsement (see attached sample).

The endorsement must contain the following required language:

"The State of Nevada, Division of State Parks, Department of Conservation and Natural Resources, its officers, employees, and agents are named via endorsement as additional insured under the terms of this policy."

The endorsement must be tied to the corresponding certificate of liability insurance by listing the associated policy number.

By endorsement to the general liability insurance policy evidenced by **PERMITTEE**, as defined in NRS 41.0307, **STATE** shall be named as additional insured for all liability arising out of Permittee's commercial operation within the park. An additional insured endorsement form (CG 20 10 11 85, CG 20 26 11 85, or CG 20 26 07 04), signed by an authorized insurance company representative, must be submitted to the State to evidence the endorsement of the State as an additional insured.

A signed complete certificate of insurance and a copy of the endorsed policy with all the endorsements required shall be presented to the park supervisor or his designee no less than 30 days before the permit beginning date. The insurance policy will not be cancelled or materially altered without prior written notice to **STATE**.
