NEVADA DIVISION OF STATE PARKS SMALL BUSINESS IMPACT STATEMENT

Date: MAY 26, 2020

RE: Proposed Permanent Changes to Nevada Administrative Code 407 and 407A

I, Robert Mergell, Administrator, Nevada State Parks, do hereby certify that, to the best of my knowledge or belief:

Pursuant to NRS 233B.060, the proposed administrative regulation changes are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation, or expansion of a small business.

The Nevada Division of State Parks has determined that its proposed changes have no significant negative effect on Nevada Small Businesses and have a potential positive benefit to the economy. Proposed changes are related to the administration of Nevada State Parks by addressing senior citizen and photography permits, entrance fees associated with veterans, and other language changes pertaining to all-terrain vehicles, sanitation, curfews and camping limits. Additionally, the proposed regulations establish the process for administering the Outdoor Education and Recreation Grant Program. The purpose of these regulation changes is to clarify the permitting process, improve daily operations within Nevada State Parks, and establish criteria, procedures, and priorities for the Outdoor Recreation Grant Program.

Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by these regulations and thus a burden or economic impact cannot be assessed.

Respectfully,
