12. Project Location:

- A. Congressional District(s) number (check all that apply) 1 2 3 4
- B. County: _____
- C. Municipality/Town/City: _____

13. Environmental Compliance (see page 10 of the RTP Handbook for more information)

Does not apply to Planning or Education projects with no ground disturbing activities.

Is a Federal agency involved in this project as an applicant, partner, or landowner?

- Yes
- No

If yes, environmental clearances have likely been completed for your project area. Please indicate which NEPA document was produced. Please attach the document to this application:

- Categorical Exclusion (CE)
- Record of Decision (ROD)
- Finding of No Significant Impact (FONSI)

If you have Federal involvement and have attached one of the NEPA documents above, you may skip to Section II.

14. Historic Resource Compliance

Please provide the following information:

Describe the extent of ground disturbance for this project. Specifically, describe the length, width, and depth of the most significant instances of excavation/digging.

Describe both current and past uses of the project area.

Describe any known cultural resources in the project area. This may include historic buildings, archaeology sites, and any other objects estimated to be over 50 years old.

SECTION II

Maps, Photographs, and other Graphics:

(Graphics are not required for Planning and Education projects, but may be included with the pre-application if applicable and available.)

Please assemble the following:

Three (3) specific maps:

- General location map (showing project area within the state and/or county)
- Topographic map (7.5 minute series quadrangle, 1:24,000 scale) with project boundary and map name
 - Topographic maps are preferred but aerial photos will suffice
- Detail map indicating specific project elements (e.g., structures, trail alignment)
- For all maps, please include a key, north arrow, scale
- Maps larger than 11x17 will not be accepted

Photographs:

- At least two (2) overviews of the project area from different angles and distances.

Shape Files:

- If available, please attach shapefiles of the project area (these are produced via GPS and end with the filename “.shp”; they may also be found within larger files ending in “.mxd”). These are not required for this pre-application but are appreciated, if available.

SECTION VI

Authorized Signature of Pre-Applicant

The signature below indicates approval of this pre-application and authorizes review by the Nevada Division of State Parks for the purpose of assessing project feasibility.

Signature
