Recreational Trails Program – 2021 Grant Application Presentation Meeting

CARSON CITY, NV - The Nevada Division of State Parks will host the 2021 Recreational Trails Program Advisory Committee Meeting from December 8-10, 2020. The meeting will be held in a virtual format, beginning each morning at 8:30 am and adjourning by 5:00 pm. Members of the public are welcome to attend via Microsoft Teams, or through a phone conference line, to listen to each presentation. Prior to the start of each morning session, the floor will be opened for public comment. Public comments will be limited to three minutes per person.

During the meeting, each applicant will be given 10 minutes to provide a formal presentation about their project to the Advisory Committee, which will be followed by a 10-minute question and answer period directed by committee members. Refer to the presentation schedule for additional meeting details.

Through the federally funded Recreational Trails Program, Nevada will receive approximately \$1.2 million in grant funds in 2021 for the purpose of providing outdoor recreational trail activities. The program funds the planning and construction of motorized and non-motorized trail projects and educational outreach programs. Eligible entities include federal, state, local and tribal governments, special government districts, and private individuals and organizations. Previous projects have included the Tahoe Transportation District's Shoreline Access Trails, Red Rock Trail Restoration, Logandale Moto Restrooms and Northern Nevada Trail Education. Allocation of grant funds will be competitively determined by the Recreation Trails Program Advisory Committee.

Please direct questions about the meeting and presentation agenda to Program Manager, Heather Giger, at hgiger@parks.nv.gov. To attend the Advisory Committee Meeting virtually:
