NEVADA DIVISION OF STATE PARKS SMALL BUSINESS IMPACT STATEMENT

Date: November 13, 2020

RE: Proposed Permanent Changes to Nevada Administrative Code 407

I, Robert Mergell, Administrator, Nevada Division of State Parks, do hereby certify that, to the best of my knowledge or belief:

Pursuant to NRS 233B.060, the proposed administrative regulation changes are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation, or expansion of a small business.

Economic impacts to business as noted in paragraph (c) of subsection 1 of NRS 233B.066 are not anticipated. However, as an agency Nevada Division of State Parks recognizes that the impacts of such regulations are difficult to predict for businesses that utilize or conduct business with parks. For this reason, future regulation changes may be necessary in order to limit any significant impact on business interest.

Comment has not been solicited from small businesses, no summary of their response is provided, because small businesses are not likely to be impacted by these regulations and thus a burden or economic impact cannot be assessed.

Respectfully,
