

Buckland Station Winter Hours

Photo by Richard Massey

Take a self-guided tour through Fort Churchill's Buckland Station! The first floor of this three-story ranch house has been beautifully restored and a 12-minute video illustrates the area's fascinating history.

Buckland Station will be open on most weekends, but contact the park for the tour schedule. Tours are \$1/person and children under 12 are free.

Contact the park at (775) 577-4880 or 577-2345. You can also e-mail bucklandstation@hotmail.com for more information.

Like us on Facebook (Fort Churchill State Historic Park) for information on programs and events throughout the year!
