------------------	----------------	--------	----------------

**REFERENCES:** NRS 322.050, NRS 322.075, NRS 407.065 1(c)

**PURPOSE:** This policy provides the criteria and guidelines for determining, recruiting, contracting and managing grazing leases in an effort to make the process responsive to legal requirements and liability concerns.

**ORGANIZATION:** Through the use of grazing leases, the division will maintain and improve park property, while providing facilities and services compatible with park master plans.

**PROCEDURE:**

A grazing lease is generally defined as a contractual agreement with a public or private entity, as authorized in NRS 407.065, subparagraph 1(c), for the use of state park property.

- I. Determination of the need for long-term grazing leases will be made during the general management plan process. Grazing leases not included in a park's general management plan may be considered on a short-term or trial basis.
- II. Grazing leases shall not be contracted solely to make profits for the lessee or for the division. Grazing leases will be granted based on the following criteria for the following reasons: experience, expertise and reliability, and operations plan. Neither shall the lease result in an increase in division operating costs, unless there are compensating values received.
- III. A review team will be appointed by the administrator. The review team will:
  - A. Develop the Request for Proposal (RFP) (see attachment A RFP template). Minimum fee bid requirements will be set by State Lands per NRS 322.075.
  - B. Solicit proposals from the private sector through the RFP process and public advertisement (advertisement for a minimum of one day in the local newspaper).
  - C. Review proposals and recommend a lessee to the administrator. The review team will consider the prospective lessee's ability to develop a feasible operational plan, finance the operation, and provide services and facilities that benefit the park.
  - D. After receiving the administrator's concurrence, the team will draft and negotiate terms of the lease agreement (see attachment B lease template).
  - E. Submit lease agreement to the administrator for signature.

- F. After the lease agreement is awarded, the regional manager and park supervisor will be responsible for monitoring performance of the lease. Problems not resolved at the region level will be directed to the deputy administrator.
  - G. The contract manager will have general oversight responsibilities for administrative aspects of the grazing lease. These include financial obligations and ensuring requirements are met as set in the lease agreement.
  - H. The Administrative Service Officer (ASO) will receive all grazing lease payments. All accounts receivable for a grazing lease will be listed on the accounts receivable report submitted to the Controller's Office quarterly. Late payments will be assessed on all lessees, unless the late fee has been waived in part or entirely by the administrator under special circumstances.
- IV. At the option of parks, in-lieu of cash rental, the lessee may furnish materials, fencing, services or equipment used in ranch operations to improve the leased area, with the following conditions:
- A. Use of all in-lieu of payments must be in writing and pre-approved, regardless of the dollar amount. Park supervisors will use the ADM-3 Lease In-Lieu Request form (see attachment D).
  - B. The administrator, deputy administrator, regional manager and park supervisor will pre-approve any use of in-lieu of amounts over \$1,000.00. Regional managers can pre-approve use of in-lieu amounts between \$101 - \$1,000.00 and park supervisors can approve use of in-lieu amounts up to \$100. The pre-approval form must be submitted from the park, through the regional manager, deputy administrator, and administrator.
  - C. A copy of all written pre-approved forms, regardless of the amount, will go to the park's region office. The regional manager will provide standard internal controls and oversight to assure requests meet the intent of this policy.

**RULES:**

- I. Grazing leases shall be considered only for park improvement/resource management and shall be consistent with division policy.
- II. All parties concerned will receive a final copy of the grazing lease.
- III. Attachment C is a standard letter format to notify customers regarding non-payment of lease agreements.

In addition, points are awarded for experience leasing with public agencies.

##### **Operation Plan 30 Points**

Proposals will be evaluated based on the Respondent's distinctive operation plan outlining personnel factors such as organization, personnel, and management capability. In addition, points will be awarded based upon the Respondent's demonstrated ability to implement the components of the plan.

##### **Rental Offer 20 Points**

The evaluation rental offers by the Respondents shall be assigned points in relation to the highest acceptable bid. The grazing rights and pasturage herein granted, does not constitute the granting of a leasehold in the real property to LESSEE. The use of the term "lease" herein refers solely to grazing rights and pasturage for livestock.

1. **INCORPORATED DOCUMENTS:** The parties agree that the scope of work and grazing rights to pastures shall be specifically described; this lease incorporates the following attachments in descending order of constructive precedence; a LESSEE 's attachment shall not contradict or supersede any State specifications, terms or conditions without written evidence of mutual assent to such change appearing in this lease:

Four (4) additional terms of one year each may also be entered into upon application in writing by the lessee three (3) months prior to the termination of the first one year term and, if necessary, three (3) months prior to the termination of the first one year extension. Any renewal thereafter shall be at the sole option of PARKS.
3. **NOTICE:** All notices or other communications required or permitted to be given under this lease shall be in writing and shall be deemed to have been duly given if delivered personally in hand, by fax with simultaneous regular mail, or certified mail, return receipt requested, postage prepaid on the date posted, and addressed to the other party at the address specified above.
4. **ASSENT:** The parties agree that the terms and conditions listed on incorporated attachments of this lease are also specifically a part of this lease and are limited only by their respective order of precedence and any limitations specified.
5. **INSPECTION & AUDIT:**
  - A. **Books and Records.** LESSEE agrees to keep and maintain accepted principles full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.
  - B. **Inspection & Audit.** LESSEE agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of LESSEE or its SUBLESSEE's including financial statements and supporting documentation, and documentation related to the operations of the lease shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of LESSEE where such records may be found, with or without notice by the State Auditor, the relevant state agency or its contracted examiners.

6. **LEASE TERMINATION:**

A. Termination Without Cause. Any discretionary or vested right of renewal notwithstanding, this lease may be terminated upon written notice by mutual consent of both parties or unilaterally by either party without cause.

B. Cause Termination for Default or Breach. A default or breach may be declared with or without termination. This lease may be terminated by either party with written notice of default or breach to the other party as follows:

i. If LESSEE fails to provide or satisfactorily perform any of the conditions, or services called for by this lease within the time requirements specified in this lease or within any granted extension of those time requirements; or

ii. If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by LESSEE to comply with any requirements of this lease is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

iii. If LESSEE becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court; or

iv. If the State materially breaches any material duty under this lease and any such breach impairs LESSEE's ability to perform; or

vi. If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by LESSEE, or any agent or representative of LESSEE, to any officer or employee of the State of Nevada with a view toward securing a lease or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such lease; or

D. Winding Up Affairs Upon Termination. In the event of termination of this lease for any reason, the parties agree that the provisions of this paragraph survive termination:

i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this lease. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

ii. LESSEE shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by PARKS;

iii. LESSEE shall execute any documents and take any actions necessary to effectuate an assignment of this lease if so requested by PARKS;

E. PARKS reserves the right as its sole option, at any time upon Ninety (90) days written notice to LESSEE, to terminate this lease. In the event of termination pursuant to this provision, PARKS will refund to LESSEE any unused portion of an advanced payment made by LESSEE.

F. LESSEE understands that a State of Nevada grazing lease is a privilege and that livestock grazing is a management tool for the issuing agency. If livestock grazing is not beneficial to the leased property at any time, PARKS can elect not to re-offer the grazing lease or terminate under section 6.A. above.

7. **PURPOSE:** The premises are leased solely for the pasturage and grazing of livestock and all activities normal and reasonable as incident thereto and no deviation or change of use shall be made unless and until first approved in writing by PARKS.

Should PARKS authorize any additional AUM's, as provided in other sections of this lease, they will be the same rate of \$ **Enter Monetary Amount** per AUM. Payment for each year of the lease shall be paid in full by December 31<sup>st</sup> of each year of the lease.

Payment by check will be made payable to the DIVISION OF STATE PARKS and mailed or delivered to:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

In the event a payment is not made on or before the date schedule determined by the LESSEE and the park supervisor of that month, LESSEE shall pay to PARKS a late charge on said unpaid fee at the rate of one and one-half percent (1 ½%) per month from the due date thereof until the date of payment. Should any unusual or extenuating circumstances exist for not paying said fee on or before the due date herein provided, the administrator in its discretion may waive late charge on the unpaid fees.

NAME OF LEASE

PASTURE MANAGEMENT PLAN

Nevada State Parks leases approximately 1,570 acres from the U.S. Fish and Wildlife Service (USF&WS) north of the Carson River directly east of Fort Churchill State Park. The primary goal of this lease is to maintain existing wildlife habitat and prevent the spread of noxious and nuisance weeds to adjacent State owned property. This property is leased on a year to year basis from the USF&WS.

Grazing management

Nevada Division of State Parks intends to manage the area for multiple purposes including agricultural production for the purpose of creating and maintaining wildlife habitat, noxious weed control and fire fuels reduction. As this area is managed as a refuge, recreational uses are not included in the plan. With this management concept in mind, the pasture should be leased for a maximum of #### A.U.M.'s. Turnout date will be between \_\_\_\_\_ and \_\_\_\_\_ depending on conditions. On years of early spring green-up, the livestock should be turned out on the DATE and conversely on late winters the stock shall be turned out on approximately DATE. The DATE on average years would give the slower starting forage species a time to grow before grazing impact. Pasture rotation will be left up to the Leasee. Generally the rotation should be faster in the spring and slower towards the fall. After freezing becomes consistent, all the gates could be opened to let livestock have free choice.

Irrigation

The majority of the pasture needs to be irrigated about every 20 days during the cool part of the growing season: \_\_\_\_\_ to \_\_\_\_\_ and \_\_\_\_\_ to \_\_\_\_\_ . During the period of peak consumptive use (June 15<sup>th</sup> through September 15<sup>th</sup>) the area needs to be irrigated approximately every 15 days. This frequency is based on the soils ability to hold water and the amount of water the plants use. These numbers should be used as a guide. Irrigation frequency on planted crops is best left to the permittee. Frequency will be determined by age of stand, rotation schedule, availability of water, etc.

Weed Control

Perennial Pepperweed has expanded rapidly along the Carson River Corridor and is prevalent on the North Ghiglia. This weed and other noxious weeds outcompete both native vegetation and crops threatening not only agriculture, but wildlife habitat and water quality. It is recommended that these areas be integrated pest management practices be utilized. These include selective crops, grazing, chemical applications (permission is required from the USF&WS prior to use) and reseeding treated areas.

i. If LESSEE fails to provide or satisfactorily perform any of the conditions, or services called for by this lease within the time requirements specified in this lease or within any granted extension of those time requirements; or

ii. If any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by LESSEE to comply with any requirements of this lease is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

25. **PERSONAL PROPERTY TAXES:** PARKS shall have no responsibility or liability to pay any personal property taxes because of any personal property brought upon or used in connection with this lease, and LESSEE will indemnify PARKS there from, should such taxes at any time be assessed.

27. **ACCESS:** Nothing contained herein shall be construed to preclude PARKS, its agents and employees, from enjoying full access to all areas of the Park including the grazing lease, for proper management of all recreation and wildlife activities and the construction, repair, and supervision of improvements and facilities utilized for such activities.

28. **LIMITED PUBLIC ACCESS:** The State of Nevada will take all reasonable precautions against the disturbance or harming of livestock, but shall not be held liable in any way for any loss to LESSEE, his agents, or assigns, or employees, occurring by theft, accident, acts of God, or in any other manner.

31. **REMOVAL OF EQUIPMENT AND LIVESTOCK:** At the expiration of the terms and conditions of this grazing lease, and in the absence of another lease agreement being entered into between parties hereto, LESSEE will surrender and give up the premises to PARKS or its successor in interest, and shall remove without delay all livestock, equipment and other property belonging to LESSEE.
32. **COMPLIANCE WITH LEGAL OBLIGATIONS:** LESSEE shall procure and maintain for the duration of this lease any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by LESSEE to provide the goods or services required by this Lease. 33. **WAIVER OF BREACH:** Failure to declare a breach or the actual waiver of any particular breach of the lease or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.
34. **SEVERABILITY:** If any provision contained in this lease is held to be unenforceable by a court of law or equity, this lease shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this lease unenforceable.

35. **ASSIGNMENT/DELEGATION:** To the extent that any assignment of any right under this lease changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this lease, attempts to operate as an ovation, or includes a waiver or abrogation of any defense to payment to State, such offending portion of the assignment shall be void, and shall be a breach of this Lease. LESSEE shall neither assign, transfer nor delegate any rights, obligations or duties under this lease without the prior written consent of the State.
36. **PUBLIC RECORDS:** Pursuant to NRS 239.010, information or documents received from LESSEE may be open to public inspection and copying. The State will have the duty to disclose unless a particular record is made confidential by law or a common law balancing of interests. LESSEE may label specific parts of an individual document as a "trade secret" or "confidential" in accordance with NRS 333.333, provided that LESSEE thereby agrees to indemnify and defend the State for honoring such a designation. The failure to so label any document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of the records.

LESSEE acknowledges that as required by statute or regulation this Lease is effective only after approval by the State Board of Examiners and only for the period of time specified in the lease. Any services performed by LESSEE before this lease is effective or after it ceases to be effective are performed at the sole risk of LESSEE.
39. **GOVERNING LAW; JURISDICTION:** This lease and the rights and obligations of the parties hereto shall be governed by, and construed according to, the laws of the State of Nevada, without giving effect to any principle of conflict-of-interest that would require the application of the law of any other jurisdiction. LESSEE consents to the jurisdiction of the Nevada district courts for enforcement of this Lease.
40. **ENTIRE LEASE AND MODIFICATION:** This lease and its integrated attachment(s) and exhibits constitute the entire agreement of the parties and such are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Unless an integrated attachment to this lease specifically displays a

mutual intent to amend a particular part of this lease, general conflicts in language between any such attachment and this lease shall be construed consistent with the terms of this lease. Unless otherwise expressly authorized by the terms of this lease, no modification or amendment to this Lease shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto and approved by the Office of the Attorney General.
