

Nevada Division of State Parks
SAFETY VIOLATION

You are notified that you have violated the following State Parks' safety rule:

This is your ___first,___second,___ third notice for a safety violation.

You are reminded that State Parks considers the safety of its employees to be most important. Any of the following will result in your immediate termination:

- A. Willfully endangering another employee
- B. Tampering with safety equipment
- C. Three (3) safety violations in one year
