

HUNTING INFORMATION FOR LAHONTAN STATE RECREATION AREA

Hunting at Lahontan State Recreation Area is subject to the regulations established in the Nevada Revised Statutes (NRS) and the Nevada Administrative Code (NAC), Chapters 407 and 503. Hunting is allowed during seasons established by the Nevada Division of Wildlife and in hunting zones established by the Nevada Division of State Parks. The administrator of the Nevada Division of State Parks may change the hunting zone boundaries to protect and preserve the park's resources. Park management recommends that all hunters verify the accuracy of hunting rules and regulations with a park ranger before engaging in hunting activities.

NAC 407.105, USE OF WEAPONS

1. Except as otherwise provided in this section or as otherwise authorized by the Administrator, in any park, a person shall not:
 - (a) Use a bow and arrow, slingshot or paint ball launcher;
 - (b) Discharge a firearm;
 - (c) Discharge an air rifle, spring gun or air pistol; or
 - (d) Throw a knife, hatchet, spear, stone or projectile.
2. The Administrator may designate zones in which a person may, for the purposes of hunting a species that is designated by the Board of Wildlife Commissioners as a game mammal or game bird pursuant to chapter 503 of NAC, discharge a firearm or bow in accordance with the regulations of the Department of Wildlife.
3. Target shooting is prohibited in all areas of a park, except in an area designated as a firing range.
4. Use of a bow to kill, capture or injure a fish is prohibited within 100 feet of a swimmer.
5. Nothing in this section is intended to abrogate any right guaranteed by Section 11 of Article 1 of the Nevada Constitution.

NAC 503.170, WEAPON RESTRICTIONS

Within the established Hunting Zones for Fort Churchill State Historic Park and Lahontan State Recreation Area the following weapon restriction apply when hunting deer:

1. Hunters must use a shotgun no larger than 10 gauge and no smaller than 20 gauge, using:
 - (a) Rifled slugs; or
 - (b) Shotgun rounds with sabots that contain rifled slugs or a single expanding projectile; or
2. A longbow and arrow.
